Treasurer's Report

Treasurer David Ross presented the Treasurer's Report.

He followed the Treasurer's Report with a proposal for an assessment of the membership in 2007 of \$200/member, which was to pay for repaving of the club parking lot and improvements to the kitchen.

The membership moved to accept the 2007 assessment as presented. The necessary 2/3 majority was exceeded.

The meeting was adjourned.

These minutes were reconstructed from sketchy notes as there was no Secretary present at the meeting.
