

The Kent Island Yacht Club does not discriminate on the basis of age, national origin, race, sex or religion in the selection, election or admittance of members.

These rules are designed to protect the rights and privileges of members of the Club, their families and guests, and to protect Club property. It is the intent of the Board of Governors to limit these rules and regulations to the minimum required for the enjoyment of the Club by all of its members and guests. The obligation to monitor these rules is placed primarily in the hands of a carefully selected and trained staff, whose principle responsibility is to assure you of all the courtesies, comforts and services to which you, as a member of the KIYC, are entitled. It is further the duty of the membership of the Club to know its rules and cooperate with the Board and staff in the enforcement thereof.
